## **Birthing Kit Assembly & Shipping Instructions**

Birthing kits provide the essential items to promote a safe, clean delivery and to encourage good aftercare.

### **Birthing Kit Items Value: \$8 per kit (Lives saved uncountable)**

Place these items inside a sealed one-gallon plastic bag, which we have at the warehouse.

- 1 hotel-size bar of soap (1 oz. and up)
- 1 pair of clean latex gloves
- 1 square yard of clear 4 mil plastic sheeting
- 3 pieces of clean string each 12” long
- 1 clean single use razor blade (carefully wrap the blade in paper or plastic to protect it and keep it from causing injury)
- 2 flannelette receiving blankets, each 1 square yard

### **Important Kit Assembly Information**

- All items included in kits must be NEW items.
- All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items-**nothing more**.
- Do NOT include any personal notes, money or additional materials in the kits. These things must be painstakingly removed and will delay the shipment.

### **Packing Kits**

**Processing & Shipping Costs:** Please attach **an envelope** containing at least \$ 2 for each kit you send. (One dollar helps ship to Sager Brown and one helps Sager Brown ship around the world.) This donation enables kits to be sent without delay to areas in need.
